
Bonita Park disc golf rules:

Blue tees = easy
Yellow tees = intermediate
Red tees = advanced

Standard PDGA rules apply.

If a disc comes to rest on asphalt or in a location that is "unplayable" that disc is "out of bounds" and a drop must be taken six feet, approximately two paces, from where the disc went out of bounds. Any drop incurs a one stroke penalty.

If a disc strikes a vehicle a one stroke penalty is incurred and the disc is played as it lies unless that disc is on asphalt in which case an additional penalty stroke must be taken along with a drop placing the disc back in bounds.
